

## Curriculum–Vitae (CV)

Dr. RAMESH G. B.

M.Sc. (Agri.), Ph.D. in Agricultural Economics,

E-mail: [rameshgb.palb1105@gmail.com](mailto:rameshgb.palb1105@gmail.com)

Mobile: 9535879633

### Career objective

To work in the field of Agricultural sciences and economic and marketing research field where I can integrate my knowledge of statistics and analytical skills and put it to best for the mutual benefit of the organization and myself.

### Education Qualification:

Sl.No	Particulars	Year of completion	University/organisation	CGPA/ Percentage
1.	Ph.D. (Agri.) in Agricultural Economics	2018	University of Agricultural Sciences, Raichur	86.00
2.	M. Sc. (Agri.) in Agricultural Economics	2013	University of Agricultural Sciences, GKVK, Bengaluru.	84.00
3.	B.Sc. (Agri.)	2011	University of Agricultural Sciences, GKVK, Bengaluru.	77.60
4.	Pre-University Education (P.C.M.B)	2007	Government PU College, Anaveri, Bhadravathi(Tq), Shivamogga.	64.33
5.	S.S.L.C	2005	Government High school, SanyasiKodamagge (P), Bhadravathi (Tq) and Shivamogga (Dist)	86.08
1.	<b>PG Diploma</b> Agricultural Marketing Management	2015	Annamalai University, Tamil Nadu, India	63.25
2	Foreign trade	2016	Annamalai University, Tamil Nadu, India	66.75
<b>National Eligibility Test (ASRB-NET)</b>		NET(I)-2017/06343	Agricultural Scientists Recruitment Board (ASRB),	51.33 %

		ICAR, New Delhi	
--	--	-----------------	--

## **Research during my academics:**

### **❖ M.Sc. (Agri.) Research Title:**

- **“An economic analysis of Post–harvest losses and marketing of fruits-A case study of Banana in Shimoga district, Karnataka”.**
- **Tools and Techniques used:** Regression analysis, logistic regression, Garrett ranking technique and cost and returns analysis, marketing cost and margin, price spread, Modified marketing efficiency model using MS-Excel, SPSS, Power Point.

### **Seminars Delivered**

1. “Post-Harvest loss and its impact on Marketing Efficiency of Fruits and vegetables”.
2. “Agro-Food Industries in India –Status and Challenges”

### **❖ Ph.D. (Agri.) Research Title**

- **“Impact of National Horticulture Mission on Growth and Development of Horticultural crops in Karnataka: An Economic Analysis”.**
- **Tools and Techniques used:** Compound Annual Growth Rate (CAGR), Regression analysis, logistic regression, Garrett ranking technique and cost and returns analysis, decomposition of sources of growth model, tabular analysis using excel and SPSS and SAS, Risk and uncertainty models, cluster analysis.

### **Seminars Delivered**

1. “Horticulture -The Growth driver of Indian Agriculture: Opportunities and Challenges”
2. “Measurement of Risk and Uncertainty in Agriculture: Methodologies”
3. “Application of Cluster analysis in Agricultural Economics Research”
4. “Performance of subsidy schemes by enhancing farmers livelihood in India : status and challenges

## Work experience:

Sl. No.	Employer	Designation	Project	Nature of Work	Salary	Working period	Purpose of leaving
1.	Water and land management institute (WALMI), Dharwad	Consultant (Social service) Agricultural economics	Regular training and field visit	Training to the farmers, engineers and field visit	41,500/- month (Consolidated)	07-11-2020 to till date	-Till date-
2.	UAHS, Navile, Shivamogga.	Senior Research Fellow (SRF)	Zero Budget Natural Farming project, GoK, Karnataka	Baseline survey, data collection, analysis, exposure visits, method demonstration, report making and presentation	Rs.31,000+ 8 % HRA	From 20/02/2019 to 05/11/2020	project terminated
3.	UAS,GKVK, Bengaluru	Senior Research Fellow (SRF)	Estimation of Cost of cultivation of horticultural crops in Karnataka, GoK, Karnataka.	Baseline survey, data collection, analysis, exposure visits, cost of cultivation estimation, report making and presentation	Rs. 25,000+ 30 % HRA	From 12/04/2018 to 31/12/2018	Project terminated
4.	Karnataka Agricultural Price Commission (KAPC), Bengaluru.	Technical Assistant (TA)	Analysis and estimate the cost and cultivation of major agricultural crops and estimation MSP, GoK, Karnataka.	Data collection, price forecasting, data analysis, cost of cultivation estimation, report making and presentation	Rs.25,000 consolidated	From 17/09/2017 to 31/03/2018	Project period terminated
5.	National Bureau of Soil Survey and Land Use Planning (NBSS&LUP), Regional office, Hebbal, Bengaluru.	Junior Research Fellow (JRF)	“Assessment of Environmental and Economic Impact of the New Agricultural Policy of Karnataka on Land Use, Land Productivity and Rural	Data collection of watershed area, soil sampling collection, data analysis, report making and presentation	Rs.18,000 +20 % HRA	From 27/09/2013 to 31/03/2014	Project terminated

			Livelihood”.				
<b>Private/company experience</b>							
Sl. no	Comapay /Firm	Designati on	Work	Target given	CTC/Salary	Date of Joining	Purpose of Leaving
1.	<b>Green Planet Bio products, (Punjab), Shivamogga, Karnataka,</b>	Slaes executive	Market chain link Field visit and Sales and marketing, dealing with customers	5 lakh /annum	Based on incentive of sales (10%)	1-11-2020 to till date	Partially working

### Skills and Technical Knowledge:

Sl. No	Awards	Purpose	Sponsored by	Year
1	“Outstanding Ph.D Thesis Award”	For the outstanding contribution in the field of Agricultural Economics	Science and tech society for integrated rural improvement, Thorur, Telangana	11-12 august,2018
2.	“Excellence in Research award”	For outstanding contribution in the field of Agricultural Economics	International conference on Food and Agriculture held at Dhanbad,Jahrkahnd,India	March 29-31, 2018
3	“Young scientist Award”	Outstanding contribution in the field of Agricultural Economics	Two days conference on livelihood and food security (LFS-2018) at Bihar veterinary college,Patna	27-28 January,2018
4	“Scientist Associate Award”	Outstanding contribution in the field of Agricultural Economics	Society for Scientific development in agricultural and technology(Global Research initiatives for sustainable agriculture and allied Sciences (GRISAAS-2017) held at MPUAT,Udaipur,Rajastha n	02-04 December, 2017
5	Weather forecast in agriculture and Agro-advisory	8 Week online course(Agmoocs), NPTEL online certificate	Funded and arranged by Ministry of HRD,GOI and IIT, Kanpur	14 th march 2016
6	ICT basics	8 Week online course(Agmoocs), NPTEL online certificate	Funded and arranged by Ministry of HRD,GOI and IIT, Kanpur	June 2015

## **Technical experience**

- Having 5.0 years of experience in research and analytics in reputed research organizations and marketing and training to the farmers and public.
- Significance experience in econometric and statistical techniques
- Provided market information/intelligence to farmers
- Ability to communicate with research team.
- Easily adaptable to newer tools and technologies

## **Extension/field level experience**

- Closely monitored the production of vegetables and fruits by farmers
- Linking farmers to processing industries and various marketing institutes
- Organized training/capacity building programmes to farmers on marketing of agriculture and horticulture produce
- Conducted exposure/field visits to farmers to various successful farm fields, processing industries and marketing institutions
- Solving economic and marketing issues faced by farmers
- I also worked in the organic and natural farming related works and training activities in the field level
- I had experience in the method demonstration and result demonstration of natural farming inputs and marketing related aspects in village level.
- I am working in WALMI, Dharwad regarding the water and land management training to farmers and engineers for the better use of crop yield and water use efficiency.

## **Private experience:**

- Working with different group of farmers like organic and Non-organic farmers field in Agro climatic zone-7 of Karnataka for input method and result demonstration in field.
- Dealing with the purchaser and client for purchase of products in input sector in Green planet agri organic products.
- Promotion of inputs, bio fertilizers, pesticides *etc*, with the farmers and dealers of input
- Dealing with input dealers in Shivamogga, Hassan, Chikkamagaluru districts,
- Worked with dealers of fertilizers and DP collection in cash and credit

## **Software learnt:**

**MS-EXCEL, SPSS, PYTHON, Machine Learning(ML)**
